FINAL PERMIT DECISION FOR EXPLOSIVE ORDNANCE DISPOSAL RANGE AT THE
VANDENBERG AIR FORCE BASE, EPA ID NUMBER CA9570025149

Dear Ms. Kephart:

The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) has made its decision to issue the final Hazardous Waste Facility (HWF) Permit for the Explosive Ordnance Disposal (EOD) Range at Vandenberg Air Force Base.

DTSC also issued a Negative Declaration for this permit renewal to comply with the California Environmental Quality Act.

In accordance with title 22, California Code of Regulations (CCR), section 66270.42(c), DTSC sent a notice of the draft Permit to all persons on the facility mailing list and appropriate units of State and local government. The notification was also published in the Lompoc Newspaper on March 12, 2008, and a radio announcement aired the same day on KMJ/KMGV Radio.

The public comment period for the draft HWF Permit and California Environmental Quality Act (CEQA) draft Negative Declaration was from March 12, 2008 to April 25, 2008. A Public Meeting was conducted on April 10, 2008 at the Lompoc Council Chamber. DTSC received no verbal or written comments concerning the proposed draft Permit and draft Negative Declaration for EOD Range.

The final Permit is issued by DTSC in accordance with the CCR, title 22, section 66271.14. Enclosed is a copy of the signed final Permit and final CEQA Negative Declaration.

Any questions regarding this final Permit should be directed to Mr. Mike Eshaghian at (818) 717-6679.

Ms. Beatrice L. Kephart
